

ODL Monaco

We give you... *“Performance Only”*

The ODL-PRESTIGE TRADING & INVESTMENT MANAGEMENT ACCOUNT (**OPTIMA**)

Key Features & Benefits of OPTIMA...

OPTIMA gives you the freedom to invest in assets from a wide range of securities via ODL Securities Ltd. within a tax-efficient international Trading Platform held in Monaco.

OPTIMA allows you to designate International Portfolio Manager, FCP Insurance Consultants Ltd.(FCP) to provide you with an efficient platform by which to build and manage a portfolio of assets. All funds and collective investment schemes must undergo ODL vetting procedures.

OPTIMA is offered as a trading platform which requires all investment decisions to be made either by the client and/or FCP. FCP will manage your international trading platform account for you on an 'advisory' or 'discretionary' Portfolio Management basis.

Outstanding TMC/FCP Partnership Features:

- ✓ **We work ONLY for YOU, our client... NOT a Bank!!**
- ✓ **International Portfolio tailored to your specific needs and risk-profile**
- ✓ **NO Annual Management Fees!**
- ✓ **We work on a “Performance Only” fee basis... returns up-to +25% pa.**
- ✓ **There a 10% “Performance Only” fee**
- ✓ **Automatic ‘profit-taking’ when any held Fund gains 25%...**

About ODL Securities:

- More than \$10 Billion Dollars in client cash and assets, and over 16,000 client accounts
- Over 250 employees and operates in the USA, Japan and Europe
- Authorised and regulated in the UK by the Financial Services Authority(FSA)
- A member of the London Stock Exchange and a member of EuronextLIFFE
- One of the largest stockbrokers in terms of volume on the London market

Monaco is one of the world’s oldest and best known international low-tax jurisdictions. Located in Europe on the Mediterranean coast bordering France, the country is a major banking centre and closely guards the privacy of its clients. ODL Securities operate the account from Monaco to allow investors a greater range of investment choices.
